

The best source of inspiration is nature

Mallorca, cosmopolitan and beautiful, which capital city has been selected by The Times as one of the best cities to live in. A paradise where you can still find lonely cliffs where the bohemian and perfumed winds blow softly, the same that inspire the essence of Hierbas de Mallorca.

Hierbas de Mallorca condenses all the goodness of this Mediterranean culture which inspires us daily and it is well-renowned as a common heritage in our country.

HIERBAS DE MALLORCA

A close-up photograph of an orange tree branch, heavily laden with ripe, bright orange fruits and green leaves. The image is overlaid with a semi-transparent orange filter, creating a warm, monochromatic effect.

Mallorca, wordly paradise, Mediterranean essence

Hierbas de Mallorca is directed to the most exclusive boutiques and unique hotels. It follows its path to become the ambassador of the Mediterranean culture wherever it goes.

Mediterranean fragrance always by your side

It is the small details what makes a difference when we travel. The breeze, the dew, lavender, the orange trees... inspire a collection that captures, in its chic packaging, the fresh and kind aroma of an enlighting sunrise. Being brought to the bathtime for guests to enjoy an unforgettable experience. The new line of amenitiescondenses the Mediterranean culture, identifying us and being renowned as common heritage.

Nature is the best source of inspiration

Hierbas de Mallorca amenities for hotels -bath gel, shampoo, conditioner, body lotion and soap- stand out for their cosmetic excellence, achieving a delicate care for your skin.

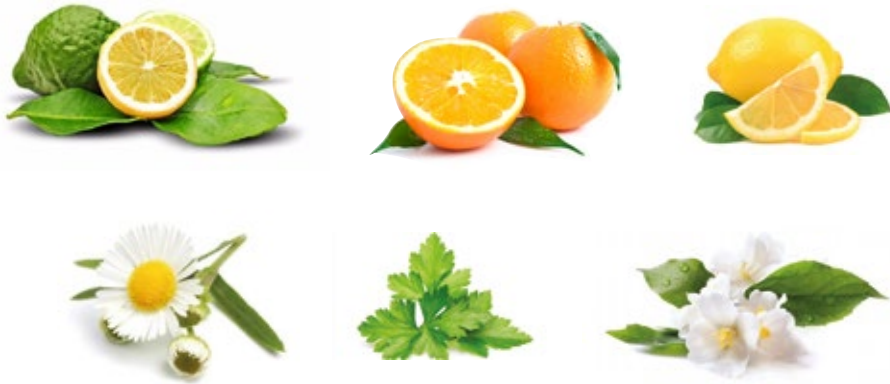

We offer a wide range of presentations in order to fully satisfy the modern hospitality sector, also pointing out the most respectful systems of production, therefore minimizing pollution and waste.

Our wall dispensers, 350ml bottles are made of recycled material and plastics.

The fragrance

Its composition happens to be a wonderful mixture of citrics, flowers and Mediterranean plants. It is made out of natural essences such as bergamot orange tree, lemon and orange, jasmine, sage, coriander, lavender seed... The olfactory notes are fresh, floral and cheerful.

Olfactory notes

Output: bergamot, orange, lemon and coriander cilantro

Heart: lavender, sage y camomile

Background: jasmine flower and spikenard

We propose as well, eco-friendly alternatives specially respectful with the environment in order to reduce waste, such as the normal dispenser or the 350ml wall dispenser for liquid soap.

Amenities 30 ml

Bath gel

With Hierbas de Mallorca's bath gel you will once again enjoy your daily shower! Gently scented with the natural fragrances of the house, it is the ideal complement that harmonizes with the freshness of the Agua de Cologne Hierbas de Mallorca. Pleasant for your skin and your spirit, it will be your faithful morning ally to start the day with greater optimism.

Shampoo

This crystalline green shampoo takes delicate care for your hair, while invigorating it with its natural essential oils of bergamot, orange, lemon, clary sage, lavender, chamomile, coriander, tuberose and jasmine. Suitable for all types of hair, its easy-rinse foam will release our soft fresh and herbal fragrance on them.

Toilet soap

Wrapped in 25 g and 40 g pleated paper.

Eco pump (350 ml)

In love with Mallorca, its landscapes, its land, its flowers... Hierbas de Mallorca brand goes one step further and launches a dispensing bottle, with the same aroma and quality.

Gel, shampoo, conditioner, body lotion, hand soap and 2-in-1 Gel-shampoo combination, eco-friendly format with 350 ml capacity. It takes care of the environment: its eco-packaging harmonizes with the zero waste principle, as it is made from 100% recycled material.

MALLORCA

A privileged site in the mediterranean
